

THE BEST LIFE ADVANTAGE

Accident Benefits Included with Every Dental Plan

Every BEST Life dental plan automatically includes a separate dental accident benefit that provides coverage of up to \$1,000 per incident for injuries to sound, natural teeth. Plus, this benefit does not count toward the calendar year maximum.

No Waiting Periods

Waiting periods are waived for all groups of 5 or more enrolled employees.

Online Portals for Brokers, Plan Administrators and Members

All administrative functions can be completed online including, adds, terms, premium payments, invoice lookup, claims, and printing ID cards.

Composite Resin Fillings on all Teeth

All BEST Life dental plans include composite resin fillings on all natural teeth.

Census Enrollments

No need to have every employee fill out an individual application. Groups can be enrolled with a master application and an enrollment spreadsheet. No employee signatures necessary.

Child Good Vision Benefit

Every dental plan with child orthodontia automatically includes special benefits for children. You get 50% of UCR coverage or an eye exam once every 12 months for eligible dependent children through age 18.

2-Year Rate Guarantee

Easy enrollment and steady premiums for two years available on all plans.

Dual Choice Offerings for Groups of 10 or more

Need two different plans? BEST Life offers dual choice dental and vision plans only requiring a minimum of 5 enrolled employees on each plan.

Bundling & Voluntary Discounts

Bundle dental plans with 5 or more enrolling employees and receive up to a 5% discount off dental rates. Voluntary groups with more than 60% participation are eligible to receive lower rates
