

VISION INDEMNITY

An eye exam does more than check eyesight – it can also diagnose diseases in their early stages. Early symptoms for high blood pressure, cardiovascular disease, diabetes and multiple sclerosis can all be screened for in an eye exam.

Vision Plans with Great Value

Vision plans are not only perfect for employers looking to add value to their ancillary benefits program, they also offer affordability and promote wellness.

BEST Life Vision Indemnity

For groups who want access to any provider, these vision plans offer frequency options, yearly deductible options, and provide comprehensive coverage.

Indemnity vision plans are available as employer-sponsored and voluntary. There are no waiting periods and all plans include a true annual open enrollment.

These Indemnity plans are all fully-insured by BEST Life and Health Insurance Company.
